If the Business is conducted in departments the independent trading results of which are ascertainable the Basis of Settlement for Gross profit shall apply separately to each department affected by the Contingencies

Material damage proviso Waiver

At the commencement of the Contingencies there shall be in force an insurance covering the interest of the Policyholder in the property at the Premises against Contingencies 1 2 and 3 and that payment shall have been made or liability admitted under such insurance or would have been made or admitted but for the operation of a proviso excluding liability for losses below a specified amount.

Payments on account

Payments on account may on application by the Policyholder and at the Company's discretion be made to the Policyholder during the Indemnity period.

Premium adjustment

The Policyholder shall furnish to the Company within thirty days after the expiry of each Period of Insurance a declaration confirmed by the Policyholder's auditors ("accountants" may be substituted for "auditors" in respect of companies exempt from audit requirements) of the Gross profit earned or expenses paid during the financial year most nearly concurrent with the Period of Insurance

If any Contingency shall have occurred giving rise to a claim for loss of Gross profit the above mentioned declaration shall be increased by the Company for the purpose of premium adjustment by the amount by which the Gross profit was reduced during the financial year solely in consequence of such Contingency

If the declaration (adjusted as provided for above and proportionately increased where the Maximum indemnity period exceeds twelve months)

1 is less than the Gross profit for the relative Period of Insurance the Company will allow a pro-rata return of the premium payable on the Gross profit but the return premium shall not exceed 33.33% of the 75% deposit premium paid.

2 is greater than the Gross profit for the relative Period of Insurance the Policyholder shall pay a pro-rata additional premium (in excess of an additional 25% being the balance due to the Company in accordance with the provisional premium paid) payable on Gross profit.

Professional accountants

Any particulars or details contained in the Policyholder's books of account or other business books or records which may be required by the Company under the General Claims Conditions for the purpose of investigating or verifying any claim under this Section may be produced by professional accountants if at the time they are regularly acting as such for the Policyholder and their report shall be prima facie evidence of the particulars and details to which such report relates the Company will pay to the Policyholder the reasonable charges payable by the Policyholder to their Professional accountants for producing such particulars or details

Provided that the sum of the amount payable and the amount otherwise payable under this Section shall in no case exceed the Sum Insured stated in the Specification.

Salvage sales

If following the Contingencies under this Section the Policyholder shall hold a salvage sale during the Indemnity period clause 1(a) of Gross profit shall for the purpose of such claim read as follows:

1 (a) In respect of reduction in Turnover:

The sum produced by applying the Rate of gross profit to the amount by which the Turnover during the Indemnity period (less the Turnover for the period of the Salvage sale) shall in consequence of the Contingencies fall short of the Standard turnover from which sum shall be deducted the Gross profit actually earned during the period of the salvage sale.

Uninsured standing charges

If any standing charges of the Business are not insured by this Section (having been deducted in arriving at the Gross profit) then in computing the amount recoverable as increase in cost of working that proportion only of any additional expenditure shall be brought into account which the Gross profit bears to the sum of Gross profit and the Uninsured standing charges.
